

Speaking

Looking for an Engaging Speaker for...

The Entheos Trust has a proven track record in providing speakers for a wide range of events.

A Community Event?

It can be hard to find an engaging speaker for a Community Friendly Event.

As part of Care for the Family's National Speaking Team for 5 years Richard Hardy toured the UK with: A Rough Guide for Dads and It Takes Two – marriage event. He is widely regarded as an engaging and inspiring speaker.

As a church leader for over 25 years he has delivered thousands of talks in a wide range of venues.

He has spoken at: Doctors' Practice Meetings; Men's Events; Marriage Events; Toddler Events; and in Schools

He has also spoken to audiences of faith and no faith.

Richard helped us to engage with our own stories, in a way that brought us hope and empowered us to bring the message of hope to others. He encouraged us to see ourselves as real people who can be used to touch the hearts and lives of other real people. Richard didn't just teach us that mission matters but what matters about mission. ” Rev. Sue Percy – Salisbury Baptist Church

A Church Weekend?

Church Weekends can really help a Church move on in mission and ministry to the community.

The Entheos Trust has provided speakers for many Church Weekends.

We have challenged churches to take a long hard look at their mission effectiveness and make real changes.

We encourage individuals to find their life calling and weave mission naturally into busy lives.

We enable congregations to take their next steps in effective community engagement.

We help the whole church reflect on what the Scriptures and the Spirit are calling them to do and help them arrive at practical strategies to move on in mission.

Whitley Bay Baptist Church held its first weekend away for many years. The weekend was led by Richard Hardy of the Entheos Trust. The people attending were encouraged, envisioned and challenged by his input which has pushed us to go deeper into exploring what it means to live out the strapline on our church logo: "Growing Community". ” Rev. Paul Newman

A Day Conference?

Rev. Richard Hardy (Director of The Entheos Trust) has spoken at over 30 regional and national Christian events across the UK on a wide range of subjects but always from a biblical perspective.

Richard and The Entheos Team are happy to develop a bespoke Day Conference for your church or the churches of your district or diocese that will encourage you to move on in mission.

It was just the sort of day I had in my mind when I was planning it, but it only worked because you communicated your excellent material in such a dynamic way. ” Revd. Kathryn Morgan, Mission Advisor, Baptist Union of Great Britain

A Leaders' Retreat?

Taking your Leadership Team away for a day or even a weekend can reap real benefits.

Time away can help you:

- Grow Together as a Team
- Dream Dreams.
- See the Bigger Picture
- Think Strategically
- Give space for God to speak
- Enable you to lead the church with fresh energy and vision.

"I'm still buzzing about the day. Richard helped us see the possibilities that could be achieved without making it seem like a distant dream. He offered clear, practical and helpful insights that will make a difference to our ministry." Phil Creighton, Baptist Men's Movement

The Entheos Trust can organise your day and tailor the experience to your needs.

Who are The Entheos Trust?

We encourage church leaders and enable congregations to engage with their communities in practical mission.

The Entheos Trust started in 2010. We offer practical help and professional advice to churches of any denomination and none. We have a wide range of denominational and professional experience covering areas such as practical theology; project management & mission consultancy. Every team member has been in church leadership.
